

# Alec's Homeaway

## PROPERTY DESCRIPTION:

- Alec's offers all the luxuries and experiences one expects from hotels in Samoa.
- The difference is that Alec's was built and exists for a purpose. An establishment with a social goal – to sustain a Health Specialist Centre for the people of Samoa. #homeawayforpurpose.
- The newest 3 star motel in Samoa aiming to make your stay comfortable and providing Health Specialist Services to Samoa a difference in making Health Specialist Services sustainable.
- Alec's Home Away Hotel focuses on quality, luxurious, yet affordable, lodging for students, health contractors and tourists interested in exploring, working and studying in Samoa. We have an innovative model of sustainable health specialist service provision for the people of Samoa. We also provide services such as information on tours, rental cars, entertainment and local nightlife activities.
- The large swimming pool and enveloping deck will have a Samoan fale, a BBQ area with a garden that provides a screen for the swimming pool plus a calming tropical ambience.
