

Bayview Hotel

PROPERTY DESCRIPTION:

- Listen to the sound of waves breaking beyond the bay while you watch the fish at play, teasing you, inviting you, daring you to join in the fun...
- Bayview offers 5 air-conditioned units as well as 5 fan-cooled units with ensuite bathrooms. These quaint bungalows are surrounded by the dramatic lava formations of the 1905-1911 Mt. Matavanu volcanic flow, where guests can take a short walk to explore the old village ruins.
- The resort features a full-service Restaurant and Bar, serving breakfast, lunch and dinner. Ask about the catch of the day if available, and if you're staying the weekend, check with staff about the To'ona'i Buffet, a special Sunday meal featuring seafood, roast pig and other local treats.
- Bayview Resort offers its guests the use of snorkelling gear, kayaks, local canoes or fishing rod 'n' reels. Canoe across the enclosed lagoon, swim with the sea turtles, or just relax on the small private beach with a 'Blue Bayview' cocktail.
- Located on the waterfront at the edge of the lava field within Saleaula Bay on the beautiful island of Savaii, is Bayview Resort. Made for comfort and privacy.
